Dated 15-7-1948.

[Despatch Abstract.]

Medical attendance - X.Ray examination - Screening charges Levy of for Tuberculosis patients - Ordered.

EDN. & P.H. DEPARTMENT. (G.1)

MEDICAL ATTENDANCE - X-Ray examination - Screening charges - Levy of for Tuberculosis patients - Ordered.

READ AGAIN: G.O.No.923, P.H., dated 22-3-1948.
From the Surgeon General, In.P.No.56-A/48, dated 3-5-1948.
From the Surgeon General, In.P.No.56-A/48, dated 9-6-1948.

ORDER (MS) NO. 2434, Public Health, dated 15-7-1948.

--

In G.O.No. 923, Public Health, dated 22-3-1948, Government approved the proposal of the Surgeon General for the levy of fees ranging from Rs.5/- to Rs.25/- for the X-Ray screening of patients in the X-ray departments of Government hospitals. The Surgeon General has now brought to the notice of Government that frequent screenings are necessary in case of Tuberculosis patients and that if fees for screening are charged according to the scale approved in the above G.O. it would be a great strain on the patients who have to stay for a considerably long time for treatment in the Hospital or Sanatorium. He has therefore proposed the levy of a flat rate of Rs.15/- per month for screenings done for paying Tuberculosis patients, in the course of their treatment during the month. The Government approve the proposals of the Surgeon General.

2. The scale of fees approved in G.O.923, Public Health dated the 22nd March 1948 will be applicable to screenings in the case of patients other than those mentioned above.

3. The Surgeon General is requested to submit draft amendments to the Madras Medical Attendance Rules with reference to the above orders as well as with reference to the orders in G.O.No. 923, Public Health, dated 22-3-1948.
